II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Chapter XV, Section 2(1), which includes pricing for transactions in Select Symbol options, to increase the Firm⁴ fee to add liquidity and fee to remove liquidity in Select Symbols. Select Symbols represent some of the highest volume Penny Pilot options traded on the Exchange and in the industry. The fees and rebates applicable to Select Symbol options in Chapter XV, Section 2(1) are designed to attract more order flow to BX Options, particularly in these high volume symbols, and apply to Customers,⁵ BX Options

The Exchange proposes to increase the \$0.33 per contract Firm fee to add liquidity and fee to remove liquidity in Select Symbols to raise revenue for the Exchange and help defray costs. As proposed, the Firm fee to add liquidity and fee to remove liquidity in Select Symbols will be \$0.37 per contract, regardless of counterparty. The pricing for all other transactions in Select Symbol options as set forth above will remain unchanged.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁸ in general, and furthers the objectives of Sections 6(b)(4) and 6(b)(5) of the Act,⁹ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility, and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange believes that its proposal to increase the Firm fee to add liquidity and fee to remove liquidity in Select Symbols, as discussed above, is reasonable because the proposed change is a modest increase to help defray costs and remains lower than the Firm fee to add liquidity and fee to remove liquidity in all other Penny Pilot options that are not options in Select

Symbols.¹⁰ As discussed above, the pricing for all other transactions in Select Symbol options will remain unchanged. Furthermore, the Exchange notes that the proposed Firm fees for Select Symbols remain competitive with the fees of other options markets.¹¹ Accordingly, the Exchange believes that despite the proposed increase in Firm fees as described above, the pricing model in Chapter XV, Section 2(1) for Select Symbols will continue to attract order flow to BX Options, particularly in these high volume symbols, to the benefit of all market participants.

The Exchange also believes that the proposed increase of the Firm fee to add liquidity and fee to remove liquidity in Select Symbols is equitable and not unfairly discriminatory because the Exchange will apply the same fee to all similarly situated members. For the reasons discussed above, the proposed fee continues to provide an incentive for Firms to transact order flow on the Exchange, which order flow brings increased liquidity to the Exchange for the benefit of all Exchange participants. To the extent the purpose of the proposed Firm fee is achieved, all market participants should benefit from the improved market liquidity.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. As discussed above, the Exchange believes that the proposed Firm fees for Select Symbol options remain competitive with those on other options markets and will continue to attract order flow to the

¹⁰ The Exchange currently charges a \$0.45 per contract Firm fee to add liquidity and a \$0.46 per contract Firm fee to remove liquidity in all other Penny Pilot options that are not in Select Symbol options. See Chapter XV, Section 2(1).

Exchange. The Exchange notes that it operates in a highly competitive market in which market participants can readily favor competing venues if they deem fee levels at a particular venue to be excessive, or rebate opportunities available at other venues to be more favorable. In such an environment, the Exchange must continually review, and consider adjusting, its fees and rebates to remain competitive with other exchanges. For the reasons described above, the Exchange believes that the proposed fee changes reflect this competitive environment.
